

ACQUIRE & MAINTAIN A HIGH STANDARD OF APPEARANCE FOR YOUR SCHOOL OR COLLEGE WITH A PLANNED MAINTENANCE AGREEMENT.

With a fixed budget, maintaining the appearance of an entire school can be a challenge.

A planned maintenance decorating contract offers a solution to this issue whereby Norris repaint areas (internally or externally) of the school and spread the cost equally over the term of the agreement – typically 5-6 years. This enables much larger parts of the building to be brought up to a presentable and well maintained standard. In addition, we return to your school annually to clean these areas, repaint sectionally, or repaint key elements of the building according to the terms of the agreement, in order to maintain the condition and appearance of the paintwork.

As more of the fabric of the building remains protected by sound paintwork this can help to avoid repairs where otherwise, with external elevations in particular, costly repairs can result from a lack of maintenance.

With a planned maintenance agreement the onus lies with us to carry out a first class repaint in year one, as we are responsible in subsequent years, for the maintenance of this paintwork.

Having taken out a six year rolling contract with Norris Painting and Interiors, I would whole heartedly recommend their professionalism and quality of workmanship. Their work over the summer period on our school building, internally and externally is without question to the highest standards.

I was very impressed with the attention to detail and consider the standard of finish achieved in old, challenging premises was superb.

Once again, many thanks for the work and I hope we shall work together again in the future.

More recently we have used Norris to replace some of our internal ceilings, including our main school hall. Again we are pleased with the excellent service we received. The contractors on site worked to a consistently high standard in conjunction with the schools needs and other trade on site. I would therefore have no hesitation in recommending Norris to other establishments/businesses.
